- **One Positive!**
  - Mr. Olivero shared the highlights of the Sights & Sounds held last Friday. He applauded Maureen’s humorous confrontational rap between Hamilton and Jefferson performance.
  - Sherryl Godfrey’s student is going to Purdue and Kelsey Bradshaw’s student is going to Princeton.
  - Maureen Quessenberry sewed the ruffle for her shirt she used during the Sights & Sounds performance.
  - Susan Bristol’s mother sewed a full jester costume for her daughter during Renaissance Fair in Standley.
  
- **UCHS Calendar 2017-2018 (Not Official)**

Mr. Olivero commented about less students participated during the Intervention Day last April 12. He asked if it was early in the quarter or not before the progress reporting week. The feedback was that it originally planned for AP preparation, extra credit was not given as an incentive, and the timing.

Mr. Olivero gave the group a copy of the draft 2017-2018 UCHS Calendar. He asked the group to review the calendar. He mentioned that there are 5 Intervention Days. He added 2 Growth Days (teacher time) for teachers. He will change the 10/20 date for Growth Day due to conflict with the PD day. Maureen suggested 10/11 for Growth Day because Progress Report is on the 13<sup>th</sup>. He mentioned the major change to the calendar will be the furlough discussion.

- **Round Table**

Sherryl Godfrey mentioned that they are doing AP early registration this Thursday, Friday and next Tuesday.

Phil Huszar is looking for staff who is obsessed on competitive trivia to participate in Staff vs. Seniors Academic League on May 30<sup>th</sup>. Practices will be every Monday before the event in his room. Aaron Pores will be joining him. He encouraged everyone to join. Susan Bristol (Comment Lady) will be in contact with the Department Head regarding the comments that the teachers would like to print in the comments section of the report card.

Vice Principal Jo McGlin added to survey the staff on what to be printed and give it to Rudy to request for district approval.

Principal Olivero shared that the Special Education students competed in the Olympics in Mira Mesa. He will email the pictures of the event and video of Maureen's confrontational rap performance.

Vice Principal Jo McGlin reminded everyone about the Healthy Kids survey. The 9<sup>th</sup> -12<sup>th</sup> Grade English students will take the survey too.

Principal Olivero said every year the school gets a publication of the results. He mentioned that at the beginning of the school year he shared the results on how the students feel about the safety of the school and their relationship with their teachers.
