X ELAC Advises the principal and staff on: The School's Program for English Learners ; We discussed the new EL requirement for next year. All ELs will have to be enrolled in a second hour of designated ELD; either Language acceleration or ALD for next year. This adds two sections of ELA to the master schedule with out the addition of FTEs so will be challenging. Not sure at this time, who will be teaching the courses. Hall did notice that students took significantly longer on ELPAC this year, might be an indication of more effort? Joe Smith would like to see some practice ELPAC questions for his son. Hall will get that for him.
